

20 YMCA Leaders to Take Hike on John Muir Trail

IMMIGRATION TIDE

Between 1946 and the end of 1956, about 3.2 million immigrants came to the U. S., or about one-ninth of the total population increase.

SUGAR FACTORY

Colorado's first sugar factory was in Grand Junction, established in 1899. Sugar beets are a chief Colorado crop.

Twenty top YMCA summer camp leaders left Sunday on a seven-day, 100-mile trip along the famed John Muir Trail—their reward for doing an outstanding job.

The volunteer YMCA leaders are taking this unique trip in recognition for their leadership at one or more of the nine Torrance YMCA Camps this summer. The group will carry all food and supplies upon their backs for the 100-mile hike along the crest of the High Sierra range.

Each year, the group will travel an additional 100 miles until they have traveled from Yosemite Valley to Mount Whitney and on to Giant Forest in Sequoia National Park.

Counselors Attend
Breglio, program chairman at the YMCA, will serve as one of four adult counselors to the group. In addition, Stan Ellis, David Graham, and Joe Wilcox will accompany the adventurous group.

The leaders are the outstanding 16 from a leaders' corps of 78 who have given leadership to more than 600 Torrance boys thus far this summer.

Camps still in the future are to the Grand Canyon, Bryce, Zion, and Hoover Dam Caravan for boys 12 and over, from Aug. 27 to Sept. 6. This camp is still open for campers who like to sightsee, fish, hike, and swim. The boys will have an opportunity to hike from the north rim down to the bottom of the Grand Canyon; and then meet the trucks at the summit of the south rim three days later if they care to do so.

There will be three truckloads with some 78 boys on this trip.

Camp Stated
The next camp is Little Green Valley, for boys 9 to 12,

from Sept. 7 to 14. This camp is located near Lake Arrowhead and boasts a string of burros, beautiful heated swimming pool, an active program of crafts and Indian lore, plus 100 miles of fine hiking trails. There are still a few spots in this camp for latecomers.

The final YMCA camp for the summer is a father and son week end camp at Round Meadow. It is to be held on the week end of Sept. 14 and 15, and is designed for dads with sons 6 to 9 years of age. There is room for 70 dads and 70 sons in this popular annual trip.

The Torrance YMCA is conducting one of the largest YMCA camping programs in Southern California, with major emphasis placed on providing fun, training, and setting high goals in life while close to God.

Two Torrance boys were arrested in Hawthorne for the theft of a motor scooter from El Nido Park, sheriff's deputies reported Thursday.

The scooter belonged to Frank Douglas, 20023 Anza Ave. The boys were apprehended at 132nd and Prairie Ave.

The Missouri State Society will hold its summer picnic this Sunday at Bixby Park, Long Beach, according to D. D. Williamson, president. The Long Beach Band will play and other entertainment is promised.
